

## **SENATE BILL SUMMARY**

Prepared by the Division of Legislative Information for the  
Senate Bill **AS ORIGINALLY FILED**. For more detail, see Senate Bill Analyses,  
if available, prepared by the Senate's professional committee staff.

SB 936

Breast Cancer Early Detection and Treatment Referral Program  
by Senator Aronberg

Revises certain criteria of the program by requiring that  
the public education and outreach initiative and  
professional education programs use guidelines established  
by the American Cancer Society rather than the United States  
Preventive Services Task Force. (See bill for details)
